One day I was walking along the beach shore when I saw something “it's a note in a bottle!” I shouted nobody heard me. I read the note and it says" ***Julia i wrote this note to tell you i’m on an island but that’s the least of your concern take a team with you and go to wandering woods and find a clue there and it will take you to a special place which is”*** So I thought “oh no the ink must have smudged what do I do!” then I realized I should go get Robert. He is kind, smart in tech, good at solving mysteries, afraid of getting killed by a robot. I walk up to his house and he answers and says” Oh hi julia whats up.” I give him the note he replies “ Oh umm it’s not finished.” I said, “ yeah I know it must have been smudged by the ocean water. Umm I was hoping you would come with me.” he said “ ok.” “ I will come with you.” he murdered. I said “ but first we go get Sydney, Logan, and Zarielle!” So we got Sydney. She is smart in animals, funny, afraid of fighting animals, loves adventure then we got Logan. He is strong, curious, courageous, and afraid of losing battles. Zarielle is kind, smart in math,she loves to fight peeps afraid of getting bad grades.   me I am smart in animal talk, loves fighting people, afraid of animals attacking because I can't fight animals, and adventurous. So were walking through the wandering woods

I was in class at least a thought I was, it looked like I was in a video game but which one.I looked around there was a map in my pocket and there was an emergency button, after a while I realized I was in Among Us?!?! It said,“I had to do tasks to get out of here”I saw the note in the corner of my eye. I was doing a task then I felt a chill,I slide kicked green and ran to my last task,I quickly did it and won it said ‘It was a dream.” I heard quite yelling then it got louder and louder and then I woke up.Mr.Schifino was yelling,”GET UP AND GET BACK TO WORK!”I said,”sorry Mr.Schifino.”Mr.Schifino said,”good.’

When school was over i wanted a pretzel from the beach because they were massive. I was getting a pretzel when suddenly I see a weird bottle in the ocean so I run to go pick it up.Once i got there i opened the bottle and read it, It read,”hello whoever is reading this I am trapped in the middle of the ocean on the beach there are aliens guarding me please help me.P.S and this is very hard to write because I'm running while I'm doing this if it looks sloppy I'm sorry.” Isaid,”Oh my god this guy needs help but I'll need a team first!” I tried to get Logan and Julia and maybe Mr.schifino because he speaks alien but before I did I said,”I but need a pretzel first!”After I got a pretzel I went to Logan's house first he said”What do you want.”I showed him the note and he said,”lets go.”I said,“lets go get Mr.Schifino and Julia first.”

Once there was a girl named Sydney. She had long brown hair and a pink skirt ,a white shirt with a dark blue collar.Sydney was walking down the beach with her three friends. The three friends are wearing the same thing that Sydney is wearing for school. Their names for the three girls are Lisa, Amanda and Kalley. The four of them came across a note in a bottle Sydney was running to go see what was in the bottle,and Kalley begged Sydney not to open the bottle, Sydney thought for a moment, she said what if it is a treasure map and it led us to gold and diamonds, then we would be the richest kids in the hole entire school. Sydney opened the bottle to the note and it said,Hello there my fellow friends (beware you may not want to read this)I have a little surprise for you…all your fear will come true if you do not overcome them so be carful
